Case Study: Spelthorne

Spelthorne Borough Council is one of 11 borough/district councils in Surrey, which, together with Surrey County Council, deliver local government services to over one million people at the inner edge of the Metropolitan Green Belt.

Download the case study to find out how CS Lucas implemented solutions to Spelthorne's challenges, specifically:

- Shortage of staff
- Lack of fund visibility and cash flow forecasting
- Reliance on spreadsheets for decision making
- Impeded decision making
