Webinar : CS Lucas Money Market Module

WEBINAR

CS Lucas Money Market Module

Webinar Outline

With 25 years doing nothing but treasury risk systems, we've developed wide and deep experience. Without fail, our expertise delivers secured performance and value for our clients.

In this webinar, we share one of the widely used modules of CS Lucas that allows users to do:

- Booking short term loan / placement
- Inter-company borrowing / lending

- Limit control and set up
- Reporting & Journals

Webinar was recorded live on 29 May 2020 4:00pm SGThttps://vimeo.com/424729219
