

Webinar: Keeping your Information Secure 2PM GMT

WEBINAR **Keeping your Information Secure**

Webinar Outline

It's vital that you make sure that you keep your company data protected. At CS Lucas, we understand that a security breach is a costly disaster that can compromise operations and damage consumer trust. To help our users avoid cyber-security pitfalls, we hosted a webinar on Nov 6.

Vice President of CS Lucas, Don Escuro, lead the talk and focused on evaluating treasury applications to avoid the risk of breaches in departments. We covered topics such as:

- Security Risks

- Best Practices
- Shared Security Responsibility
- ISO2700 Walk-through
