WEBINAR

SONIA/ LIBOR Transition

Webinar Outline

At CS Lucas, we always have our eyes on the future and what it holds for the industry at large. With 2021 fast approaching, we are aware of the upcoming changes that face our industry – namely, the LIBOR/SONIA transition that will be taking place.

- What will the LIBOR/SONIA transition look like for you?
- Is your TMS ready to handle it?
- How to get SONIA computation based on official BoE data

This webinar was recorded Sep 9, 2020 and hosted by Lead technologist, Ivan Parayno, who spearheaded the CS Lucas enhancement for SONIA.
