

Dashboard Preview on Homepage (W5)

[This version is superseded. Click here to view the latest guide.](#)

PURPOSE

This document describes the procedures on how to set up preview of favourite dashboards on CS Lucas homepage.

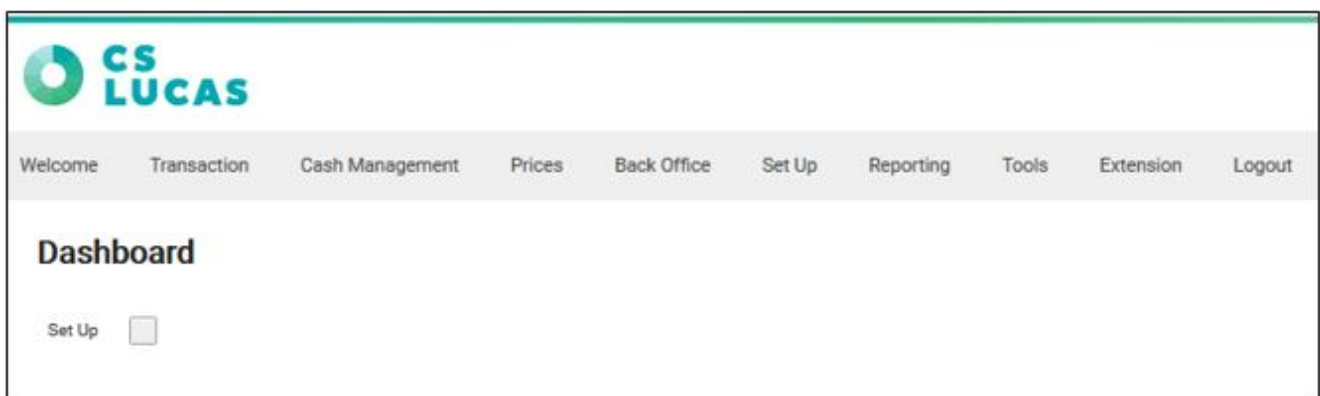

WHY IS THIS IMPORTANT?

This allows to have quick view of favourite dashboards.

PROCEDURE

Pre-requisite: Ensure Dashboard preferences are saved for each dashboard page in Reporting > Dashboard > Dashboard report page before setting up the Dashboard preview on CS Lucas homepage. See FAQ01 for more details.

1. To view favourite dashboards on CS Lucas homepage, tick on Set Up.

2. Select the available dashboards from the drop down list according to how you wish to position it on the homepage. You can view up to four dashboards at a time.

Dashboard

Set Up ☒

Save

Position	Dashboard Shortname
Upper Left	Bank Balance - Time Series
Upper Right	Borrowing by Ccy
Lower Left	Borrowing by Counterparty
Lower Right	Loan Position Maturity Profile

3. Click Save.

4. The dashboards saved will be displayed on the homepage.

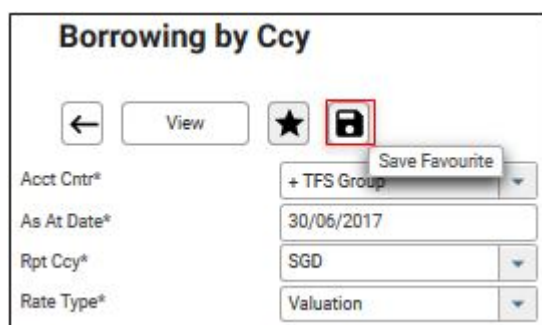

FREQUENTLY ASKED QUESTIONS

FAQ01. I have set up the dashboards to display on homepage. However, it is not displayed. Why?

For Dashboards to be displayed on the homepage, preferences for each dashboard need to be saved in Reporting > Dashboard > Dashboard report page.

For example to view 'Borrowing by Ccy' dashboard on homepage.

First, save report parameters as favourite in Borrowing by Ccy dashboard page.

Then, select the dashboard in Setup in the home page and click save.
